## **International solidarity with Garment Workers of Haesong Corporation, Bangladesh**

Workers of Haesong Corporation BD Ltd. (a Korean owned garment factory) of Kaliakoir, Gazipur area organised a sit in in front of the factory because its owner illegally sacked 218 workers without paying their due wage of March, April, May & June 2017. The owner hired goons to attack workers and members of the union National Garment Workers Federation (NGWF). People were injured and a leader of the NGWF was kidnaped and released a few hours after that on August 16, 2017; They tried to file a general diary at Kaliakoir Police Station of Gazipur regarding the incident, but the responsible police officer in charge denied taking any complaint. In protest of the violent incident and in demand of arrest & judicial trial of the factory owner, GM & the attackers, an assembly & demonstration were made by the initiative of National Garment Workers Federation (NGWF) in front of National Press Club, Dhaka on August 17, 2017.

On the behalf of the members of the International labour network of Solidarity and Struggles, we want to express our strong solidarity with the workers of Haesong Corporation. The facts we informed of are barely believable in a State of Right like Bangladesh is. Bosses of Haesong Corporation acted in totally illegal ways and used violence against workers.

We will spread these facts all around the world through our networks and ask for international solidarity with Haesong Corporation. Bangladesh is a signatory to international agreements settled by the International Labour Organisation. These agreements have to be applied to every workers in the country.

We cannot afford such things to happen. To attack one of us is to attack each of us.

We firmly demand:

- Payment of all du wages and compensations to the workers
- We ask Bengladeshi governement and all authorities to pursue owners of Haesong Corporation
- We will stand with our brothers and sisters of Haesong corporation and NGWF till they obtain satisfaction !
